EXPERIENCE

***FutureForce Tech Launchpad Full Stack Intern,* Salesforce,** San Francisco, CA (Placeholder)   June 2023 – August 2023
- Use cutting-edge technologies and frameworks such as APIs, Node/Express.js, SQL, Postgres, Heroku, AWS that culminates in utilizing gained skills for a final capstone project

***Backend Developer,* Wesleyan University**, Middletown, CT   October 2022 – Present
- Assist in maintaining my school's "OurCampus" app's back-end to maintain the app's security and efficiency
- Update existing systems to make sure the application is up to Google Play and Apple's app store's standards

***Digital Marketer,* Joyce African Hair Braiding,** Harvey, IL   October 2020 – Present
- Created and designed a website to help optimize placement on various search engines and increase outreach to potential clients which led to customers patronizing the business daily
- Led the business from a startup to averaging 5,000 views and 450 profile interactions per month on its Google profile
- Researched information on social media marketing and search engine optimization which resulted in frequent user interaction and foot traffic into the storefront

***IT Intern,* Mokena School District 159**, Mokena, IL   June 2022 – August 2022
- Assisted in revamping the school district's technology ecosystem by eliminating approximately 40 projectors and converting to modern EdTech such as smart TVs and Chromeboxes
- Learned and aided in re-imaging teacher computers with the necessary software needed for the upcoming school year

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

***Course Assistant,* Wesleyan University**, Middletown, CT   February 2023 – Present
- Lead CS I in C TA sessions with the outcome of increasing students' knowledge of the subject

***President,* SUYA (Afro-Dance Troupe)**, Middletown, CT   September 2022 – Present
- Created an afro dance group and lead 18 dancers with the hopes of sharing another important aspect of African culture with the Wesleyan student body
- Collaborate with the board members to create and teach choreography
- Devise and handle a budget to purchase outfits needed for performances

***Resident Advisor,* Wesleyan University**, Middletown, CT   August 2022 – Present
- Promote awareness of community standards, enforce university policies, and create a safe living space for my residents
- Facilitate engaging and difficult conversations about race, sexuality, and gender that allow residents to explore their own identities in a safe and welcoming environment
- Handle a monthly budget of $80 to plan dorm events as well as purchase gifts for my residents that creates a sense of community within my hall

***Event Coordinator,* African Student Association (ASA)**, Middletown, CT   August 2022 – Present
- Propose, plan, and execute events for the African Community with the goal of uniting African students on campus, promoting cultural heritage, and bringing awareness towards issues plaguing the continent
- Maintain and update the organization's various social media platforms
